Terms & Conditions:

1. 9.01 **Any moorage member intending to leave their vessel in the moorage basin beyond October 31st, must complete the required Winter Moorage Form.** Where a moorage slip has been vacated for the winter season by a moorage member, the Club may temporarily reassign such slip.
2. 9.02 Members who leave a vessel in the moorage basin over the winter and who are out of town for any length of time must appoint an individual who has access to the moorage basin to act as custodian of their vessel. The Club office must be provided with the detailed information including the name, telephone number, **and email address** of the appointed individual. **If the individual accessing the basin is not a member the mooring member must submit a written request to the Operations Manager for pre-approval of the individual to access the basin. The member will be required to reimburse the Club for any out of pocket expenses in the course of attending to a member's vessel in the event of an emergency or particular assistance.**
3. **All winter moorage members must abide by the Club's Moorage Regulations.**
