JIB*

This cozy banquet room creates an intimate setting for your business meeting or private function. Floor to ceiling windows provide ample lighting and lend an openness to the room.

SPINNAKER*

Our mid-size banquet room is spacious enough to accommodate a variety of floor plans and room lay-out styles. Glass doors stretch from wall to wall, providing a spectacular view of the basin.

GRAND BANQUET*

The wall dividing the Jib and Spinnaker rooms is removed to create the Grand Banquet Room, offering ample space for full dining and a dance floor.

BOARDROOM

Located on the main floor with a view of the marina, this room is ideal for business meetings and other small gatherings.

SAILING CENTRE

Located on the main floor with direct access from outside, this classroom-style space is ideal for a training day or informal gathering.

* PATIO ADDITION

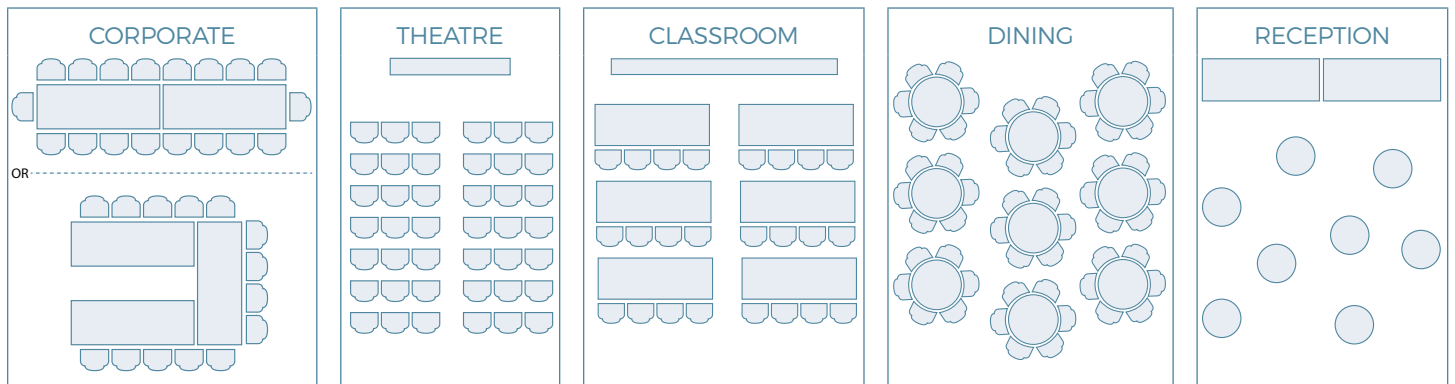

Weather permitting, the glass doors in our banquet rooms are retractable, providing an open-air extension to the patio and increasing capacity by seating guests on our patio overlooking Okanagan Lake.
