NEW AFFINITY PARTNERSHIP

We are pleased to introduce our new Affinity Partner, Mills Office Productivity, who shares our commitment and values in incorporating Sustainability, Local Procurement and Corporate Social Responsibility as part of their business practices.

Mills Office Productivity is a B.C. based supplier of Business Supplies with office across the Province; Vancouver, Kamloops, Kelowna, Trail, Osoyoos, Penticton, Prince George, Terrace, Smithers and Ft. St. John.

As a Local Business and Procurement supporter, Mills understands the importance of supporting local business in B.C. through partnerships and common community-based economic goals. In line with their company values and understanding the important actions that the Boating BC Association has taken towards boosting the local economy, Mills will contribute 1% of total new member purchases to BoatingBC. This will support the Boating BC Association's growth and generate new opportunities for all members.

Member Benefits:

The Boating BC Association partnership with Mills Office Productivity will provide its members with special benefits, including competitive pricing on all Business Supplies including: Paper, Office Supplies, Printing, Ink & Toners, Furniture, Janitorial Supplies, Education Products, and Computer Supplies (hardware & software).

Working with Mills Office Productivity, Members will also receive the following benefits:

- ❖ One stop shop for everything your business needs;
- ❖ Easy online Ordering w/ Customized Favourites Lists;
- ❖ Competitive Pricing/Integrity Pricing;
- ❖ Local Representation & Personalized Service;
- ❖ Local delivery services;
