

July 25, 2021

Dear Members,

Throughout the past sixteen months, I have been proud of the standards that our team has maintained in keeping with our number one priority which has always been and continues to be the health and safety of our members, colleagues and community.

It is with this in mind, we have made the decision to temporarily close the Member Lounge immediately, as earlier today we were made aware of two colleagues within our Member Lounge team testing positive with Covid-19. Neither of these colleagues have been in our building since Thursday, July 22, however, in an abundance of caution, we believe that closing the Member Lounge is the only way we can remove any possibility of spread.

The Member Lounge will close immediately, until further notice. Our Member Services department and The Galley remain open at this time at their usual operating hours.

Our focus remains the safety of everyone, and we appreciate your support through this. We will keep our membership apprised of any further updates in addition to potential reopening dates.

Should you have any questions, I can be reached directly at thom@kelownayachtclub.com or (250)762-3310 ext. 230.

Sincerely,
Thom Killingsworth
Executive Director
