

## Kelowna Yacht Club Communicable Disease Safety Plan

**Effective:** September 13, 2021

Ensuring a safe place for our members, guests, colleagues, and community remains our number one priority, and although the Club experience may look different, we are committed to offering the same dedicated service as always.

All protocols have been put in place in accordance with WorkSafeBC and the Provincial Health Officer's orders. As we work through these unprecedented times, we will continue to monitor the recommendations and guidelines and adapt our services as required to maintain a secure facility.

### Proof of Vaccination

By order of the PHO, proof of vaccination will be required to access some events, services and businesses, with further details below:

- ⚙ As of September 13, 2021, people in British Columbia will be required to be partially vaccinated with at least one dose of COVID-19 vaccine to access certain businesses and events.
- ⚙ As of October 24, people in British Columbia will be required to be fully immunized, at least seven (7) days after receiving two doses of COVID-19 vaccine to access certain businesses and events.
- ⚙ Proof of vaccination will be required at Kelowna Yacht Club to access:
  - Member Lounge Restaurant for both indoor and outdoor patio dining
  - Any organized indoor gatherings or events within the Clubhouse
- ⚙ Proof of vaccination accepted will be made determined by the BC Government, and will be required to be shown alongside valid government ID.
- ⚙ Proof of vaccination will also be required for people visiting from outside BC using a provincially/territorially recognized official record alongside valid government ID from the jurisdiction.

### Additional Safety Measures

The following additional areas of the safety plan are in accordance with all orders issued by the BC Provincial Health Officer:

- ⚙ Congregation in any areas of the Club facility, such as in the lobby or in hallways, is not permitted.
- ⚙ Masks are required in all public indoor spaces for people 12 years and older, which includes all areas of the Clubhouse such as the hallways, washrooms, Member Lounge and The Galley Lakeside Cafe.
- ⚙ The rearrangement and spacing of dining tables and chairs to allow for social distancing and 6ft/2 meters between each table.
- ⚙ Moving of any tables or chairs in the Member Lounge and on the Commodore's Dock (when in season) are not permitted.
- ⚙ Indoor and outdoor dining is limited to groups of up to six people at one table.

- ⊗ All guests in the Member Lounge must remain seated at their own table and are not permitted to “table-surf”.
- ⊗ Reservations are encouraged for dining to enable our team to control capacity limits in addition to wait times.
- ⊗ All tables will be cleared of any glassware, cutlery & table toppers and disinfected following each party.
- ⊗ Dedicated entry-only and exit-only doorways have been implemented for the Member Lounge and other entryways throughout the clubhouse.
- ⊗ All employees have attended an orientation upon their return to work to ensure they have reviewed and are trained in the new WorkSafeBC health policies and guidelines with continued training to take place.
- ⊗ A zero tolerance is in place for employees to attend work if they show symptoms of any illness no matter how minor or have been in contact with someone who has shown symptoms of illness.
- ⊗ Social distancing floor markings & signage have been placed throughout the Club and in the basin.
- ⊗ An increased number of sanitizer stations have been placed throughout the Club and in the basin.
- ⊗ Touch points in high-traffic areas are disinfected on a regular schedule.
- ⊗ Organized indoor gatherings are limited to 50 people and require a safety plan.
- ⊗ Outdoor gatherings are limited to 50 people and require a safety plan.

Our team has worked hard, and will continue to do so, to ensure a safe place for everyone to enjoy the lake lifestyle that we all love.
