ABOUT MT. BOUCHERIE ESTATE WINERY:

With deep roots dating back to 1968, Mt. Boucherie Estate Winery currently farm on 200 acres in both the Okanagan and Similkameen Valleys. Their goal is to reflect the diversity of BC wine through low yields, honest winemaking and patient aging, The Mt. Boucherie Estate series is made in three distinct tiers: their white label wines are made in a crisp, refreshing style meant for early consumption; the Reserves age for 12-22 months in barrel and are meant to age gracefully in your cellar; and Summit and Contessa are the pinnacle of their efforts showcasing the best blocks and barrels from their 200 acres of vines.
