

EXECUTIVE DIRECTOR

UPDATE

November 1, 2022

Dear Members,

I hope this finds you well and you have been able to enjoy the amazing fall weather we have been experiencing. The Sail Fleet's Open Racers went out for their last race of the year this past Sunday, and it turned out to be an exciting one with some great wind. Congratulations to all for making it all the way to Okanagan Lakeside Resort and back for the "Caesar's Freezer".

November 1 marks the beginning of a new membership and fiscal year. Each membership will be receiving their monthly statement today which includes the amount outstanding for the upcoming membership year, including moorages fees and the prepaid minimum spend. There are a number of important billing dates and additional information for you to be aware of, [with more details available here](#).

Thank you to each of our members who provided their feedback in the Member Satisfaction Survey. We received almost 600 responses and are please to have an overall satisfaction rate of 90%. The survey also allowed for comment in a number of areas, and our team will be combing through each of the responses and utilizing the feedback to

If you have dined with us throughout the past few weeks, you may have noticed our new screens that enclose the patio. They will work in conjunction with infrared heaters to allow use of this area almost year-round. Further, this allows us to maintain member dining on the patio in the off-season for the few times a year we utilize the Member Lounge for traditional or community events. Please take note that we do have three of these occasions coming up, the first one happening this evening as well as on November 5th and 30th. Our team looks forward to continuing to offer full menu service and taking care of you on the patio during those specific evenings.

Speaking of the Member Lounge, to the right of the entrance you have likely noticed "Curtis' Corner". This corner is dedicated to long-time honorary member, Curtis Blewett, a passionate sailor who has a long list of accomplishments, including first place in the 2003 & 2007 American Cup. Most recently, Curtis was a part of the team who crossed the finish line of the 2022 Rolex Middle Sea Race to take Monohull Line Honours. As a Club, we extend our biggest congratulations to Curtis and the rest of the team on this incredible win.

November will hold a number of upcoming events, beginning with this evening's Commodore's Table starting at 5:00PM, and on November 5th the Sail Fleet will hold their annual Sailing Awards Dinner. The Club will be lowering the flag and laying a wreath on November 11 in honour of those who have given their lives while serving our country, and to all of those in uniform who served and are currently serving. The Member Lounge will be open for this day, starting with brunch at 10:00AM. The culinary team will be cooking up a special Seafood Boil Dinner on November 13, which will include a delicious three-course meal and live music. The Power Fleet Social will be held on November 20, followed by the Grey Cup Viewing Party which will feature specials and the game on the big screen. Further information on these events and more can be found on our Experiences page here.

Thank you for your continued commitment and support of the Club.

Warm regards,
Thom Killingsworth
